# How We Can Help

Prepare for Your Federal Retirement

---

1

## Federal Retirement Consultation

During your complimentary consultation, we create a take-home Pension Estimate. This illustration compares the financial impact of your potential retirement dates.

---

2

## TSP Allocation Review

We offer a Risk Tolerance Analysis tools online OR as a part of your complementary consultation.

We also discuss your TSP allocations and offer suggestions based on your risk score and objectives.

---

3

## Social Security & Insurance

As part of your consultation, we review your Leave & Earnings Statement and discuss the insurance coverage you have, what it is costing you, and when to expect costs to increase.

Following your initial consultation, we can generate a Social Security Maximization report for you.
